

## MV series mechanical valves

Symbol :

### Reference models

**MV - 08**

Model

Head figure

08: Rotary type

09: Wheel type

10: Self lock type

10A: Spring resetting type

### Technical specifications

Model	MV-08	MV-09	MV-10	MV-10A
Working medium	Air			
Operating pressure	0~8.0kgf/cm <sup>2</sup>			
Working temperature	0~70°C			
Diameter of assembled pipe	1/4 "			
Hole and gang number	2/3 way			
Weight (kg)				
Material of main parts	Body	Aluminum alloy		
	Seal ring	NBR
