

QPM type film type adjustable pressure switch

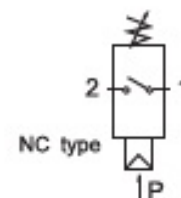

QPM11-NO

Symbol:

NO type

NC type

Reference model

QPM

Series code

-

11

Thread size
11:1/8 "

NO

NO: Normal opening type
NC: Normal closing type

Outline dimensions

QPM11-NO

QPM11-NC

technical specification

Model	QPM11-NO	QPM11-NC
Working medium	Air	
Operating pressure range	0.1~1.0Mpa	
Ambient and medium temperature	-5~60℃	
Working mode	Pressure adjustable type	
Installation and connection mode	Outer thread	
Port size	1/8 "	
Working voltage	220V/AC,48V/AC,DC	
Maximum working current	500mA	
Maxi power	100VA,24VA	
Insulation voltage	1500V,500V	
Maxi pulses	200 cycles /min	
Working duration	10 ⁶ cycles	
Protective grade (with protective sleeve)	Ip54
